### Product

**Name:** Etui:A

**Category:** pencil case

**Material:** leather

**Design:** Peter Otto Vosding

**Year:** 2015

**Client:** gö Ledermanufaktur

### Description:

**Etui:A is a pencil case for three writing instruments.** The task was to come up with a solution for three pens that are separated and do not harm each other inside the case.

The solution does not only fulfill the requirements but also makes the product stand out among its competitors and adds a hint of **playfulness**. The three writing instruments are **perfectly protected** inside the closed case. By turning it inside out, the three pencils become accessible.

Etui:A is made out of fine leather by gö ledermanufaktur in Cologne.
